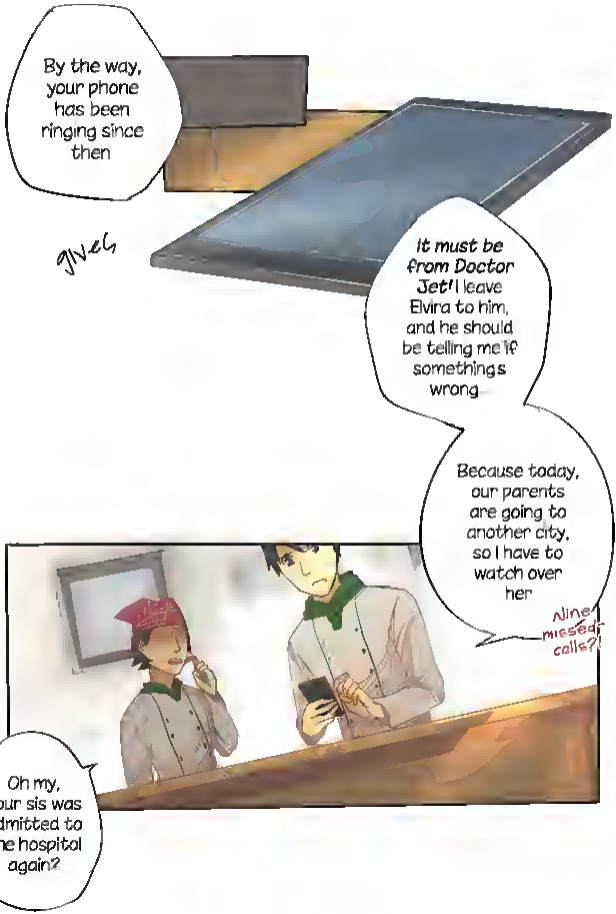
Hey, it's lunch break now! Take a break!
Don't just cook all the time!
Huh? Really?

I didn't notice I've been making new recipes.
Oh right, did the new staff already come?
So we can switch the shift
wipe
Don't worry about it
Now you should take a break



By the way, your phone has been ringing since then
It must be from Doctor Jet! I leave Elvira to him, and he should be telling me if something's wrong
Because today, our parents are going to another city, so I have to watch over her
Nine missed calls?!
Oh my, your sis was admitted to the hospital again?

I hope
she doesn't...

do any dangerous
thing again...

AT LAST! YOU'RE ANSWERING MY CALLS!!!
Doc did she end up going on the date?
THAT'S WHAT I'M CALLING FOR! I CAN'T BELIEVE SHE'S BEING THIS STUBBORN!
THUMP
SHE.. RAN AWAY FROM THE HOSPITAL!
We're still trying to look for her

Not again...

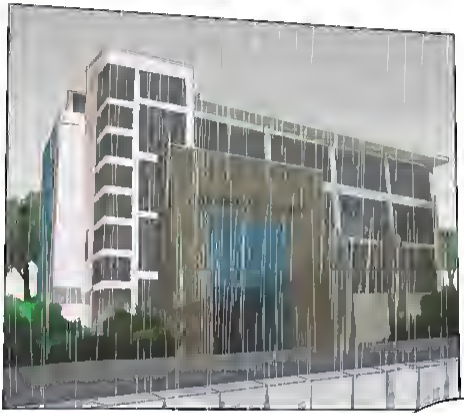
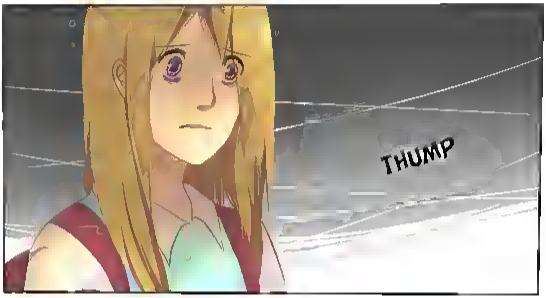
Episode 26 : Nobody

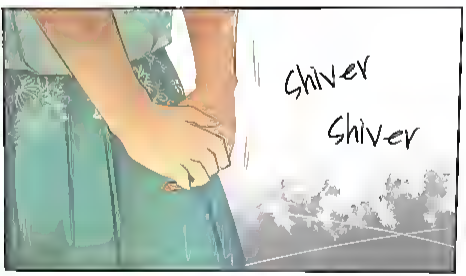


Elvira, sorry to interrupt your story... but,

Right now, I have to go to my thesis supervisor's house for the consultation
Let's watch the movie tomorrow, okay?

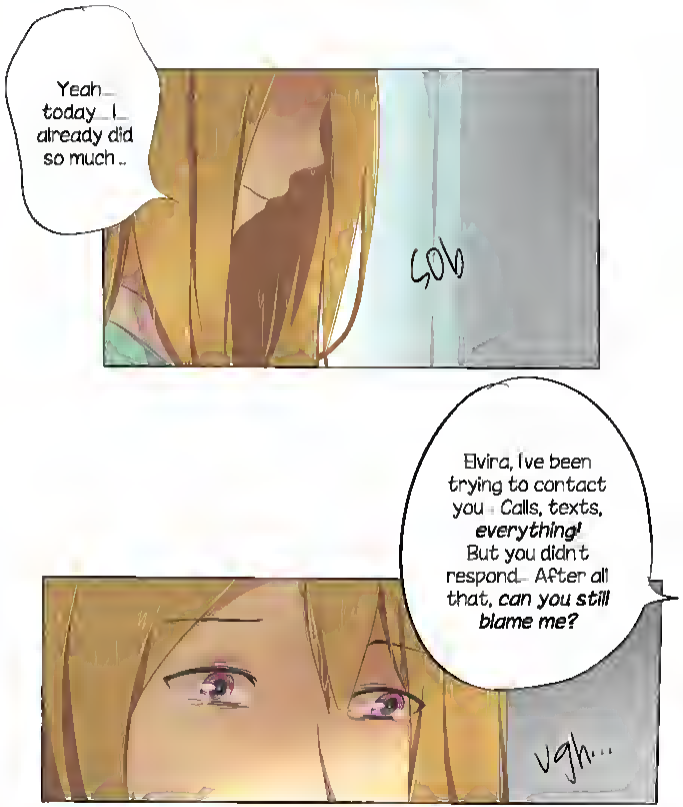


THUMP



Shiver
Shiver

Uh.. that..
I didn't say that Im cancelling the promise, we're just moving the day. And we can still watch it tomorrow, right? The ticket still hasn't expired yet
And I didn't know that I'd have to go to her house
Calm down
But.
I dressed up nicely for today



Yeah... today... I already did so much..
SOb
Elvira, I've been trying to contact you. Calls, texts, *everything!* But you didn't respond. After all that, *can you still blame me?*
Ugh...

I purposely left my phone, so Doctor Jet wouldn't reach me

And because I'm a game addict, be it a phone game or a PSP.

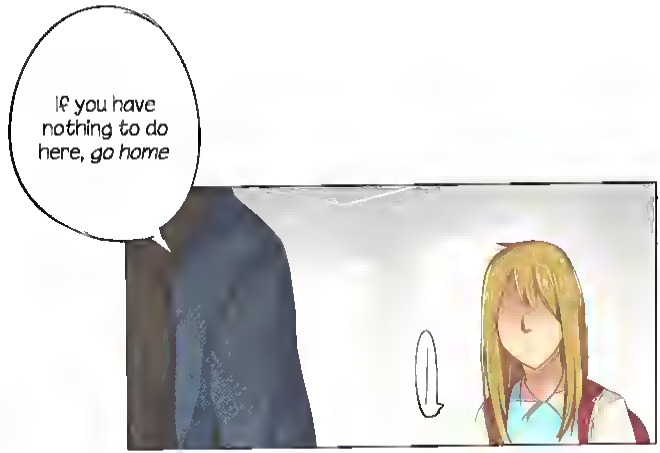
BEEP

BEEP

BEEP

I didn't want to focus on games whilst on a date, so I... left them.

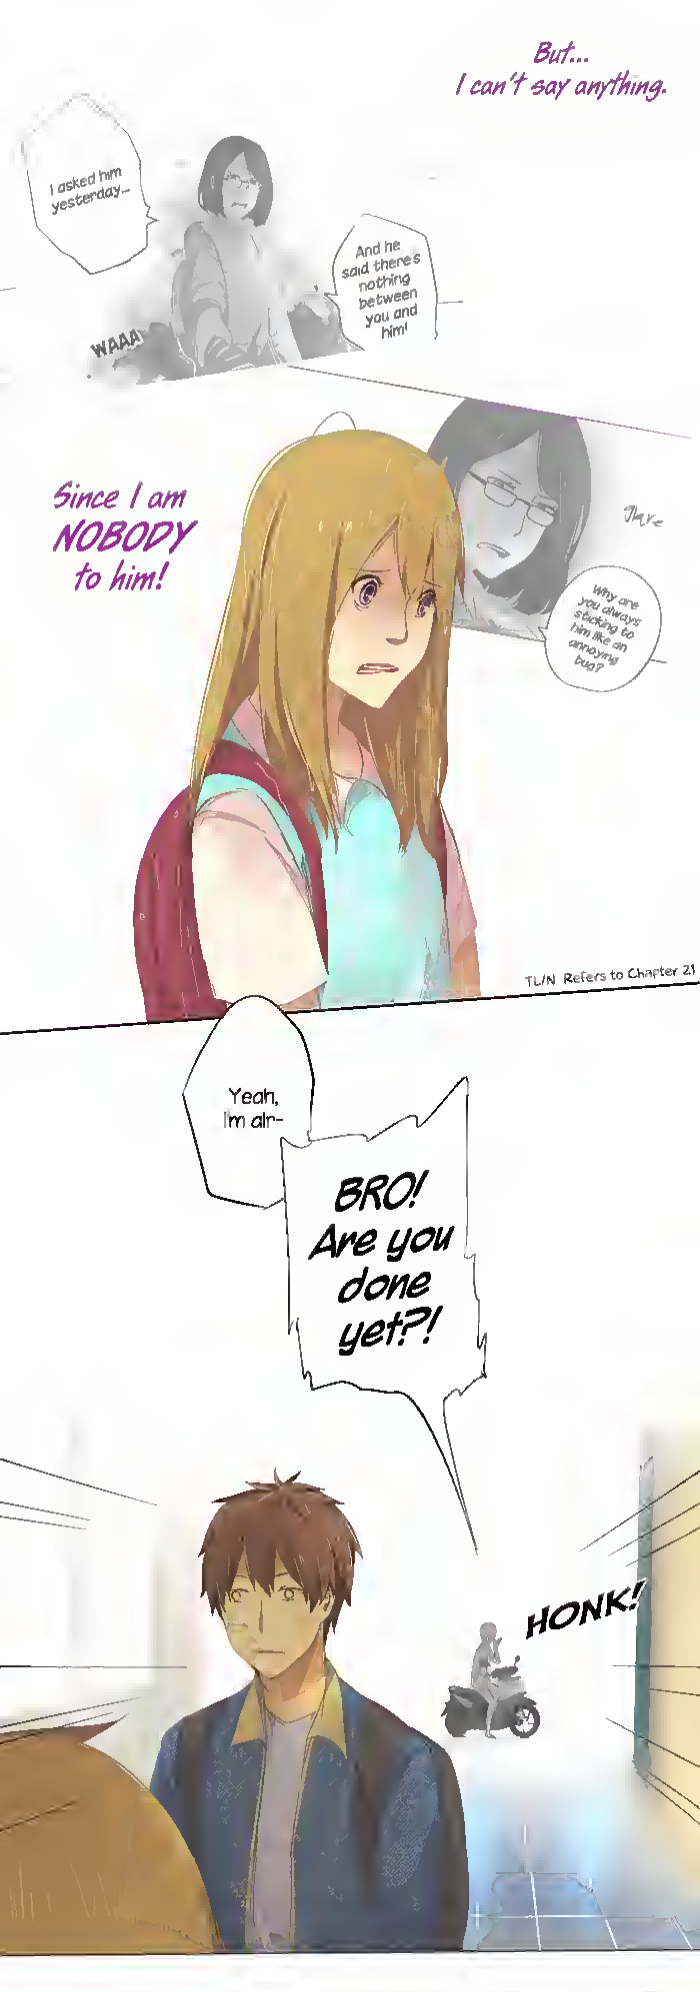
That... I'm sorry, I was in a rush, so I accidentally left my phone at home.
sob
Good grief! You knew that you'd have to contact me somehow, yet, you forgot your phone? I can't believe that people nowadays can leave their house without their phone
Well, what can we do...? I have to go now.
haah
nods



Got it? Sorry I can't walk you home. It's okay, right?

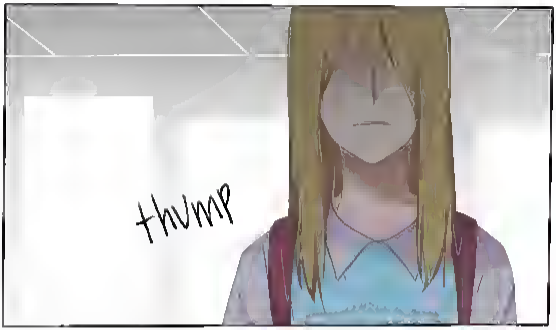
"It's okay, right?"
he said...

There's no way
I am okay...

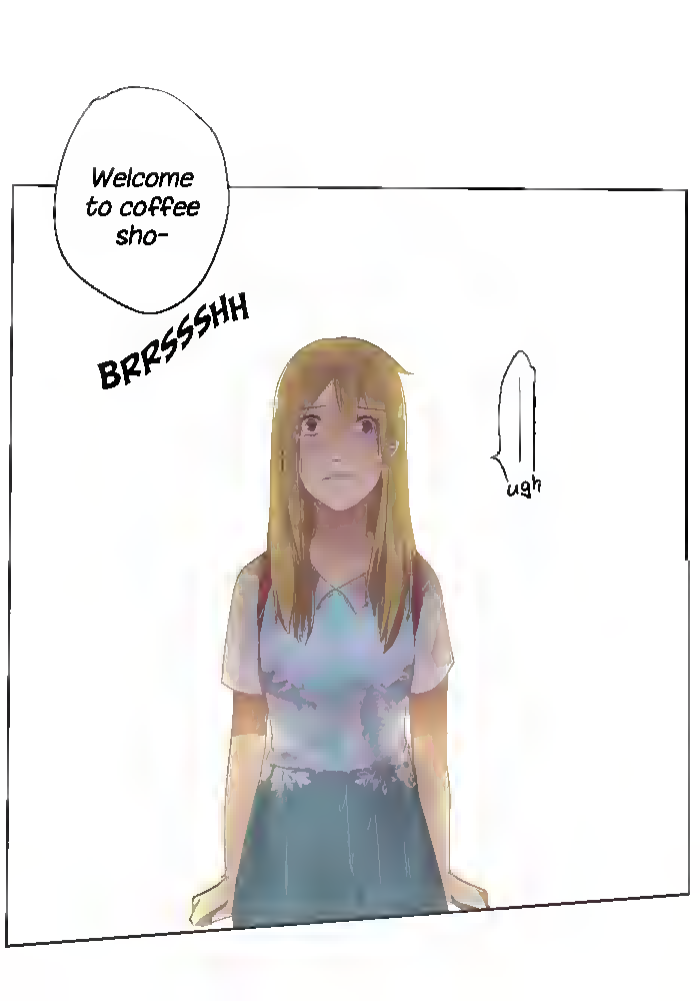


But...
I can't say anything.
I asked him yesterday...
And he said there's nothing between you and him!
WAAA
Since I am NOBODY to him!
Why are you always sticking to him like an annoying bug?
TL/N Refers to Chapter 21
Yeah, I'm alr-
BRO! Are you done yet?!
HONK!

Ah, sorry, Elvira I'm in a hurry.



It hurts so much...

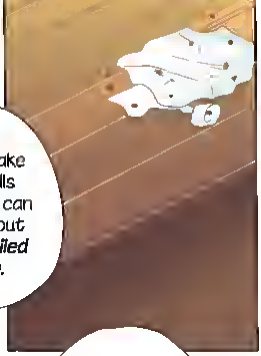


Welcome to coffee sho-
BRRSSSHH
ugh

Huh? What happened?
thump

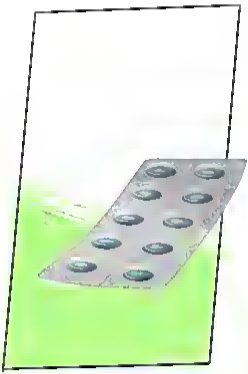
I would like a warm ginger tea and a cupcake/ with extra choco-late, two each!!! Remember, cup-cake with extra chocolate!!!
MENU
WAAAH

Sure... but please,
DON'T CUT THE LINE.
HUH
EH?! There's a queue?!
Since when?!
Ah it's alright just a middle schooler



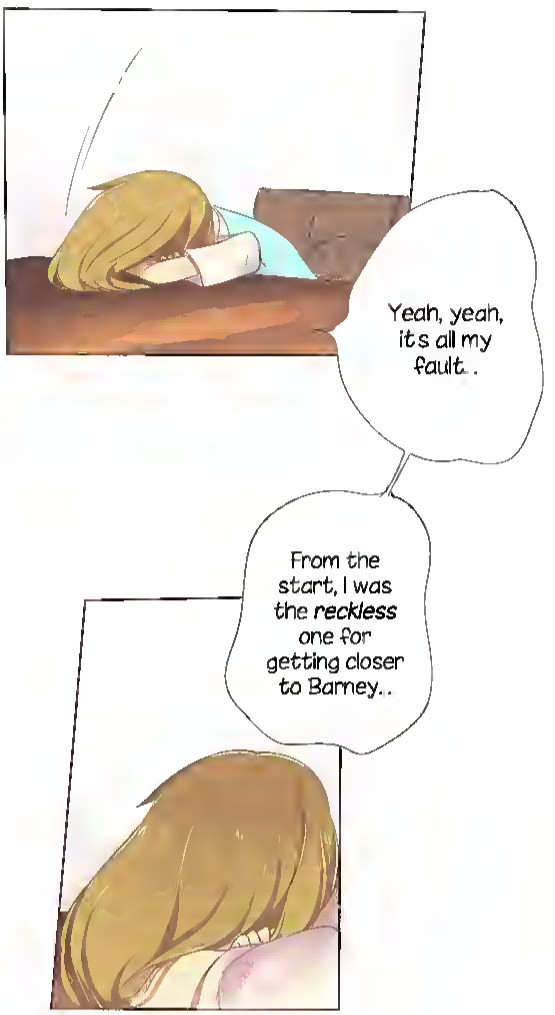
First, take your pills then we can talk about your *failed date.*

Urgh... it wasn't a fail... just...



But, looking from each perspective...
You're the one in the wrong.
SPLUURT

Sure! BLAME EVERYTHING ON ME! I told you everything to gain your sympathy! Not for you to scold me!
Girls are always in the wrong!
WARGH!
Try to self-reflect~

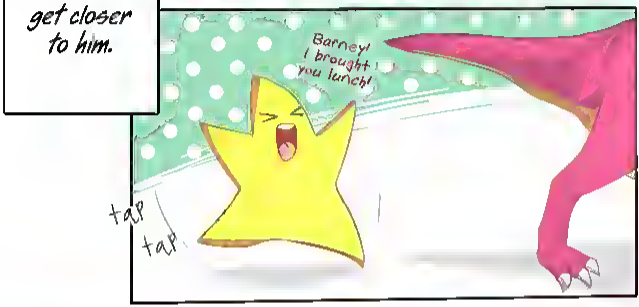


Yeah, yeah, it's all my fault...
From the start, I was the *reckless* one for getting closer to Barney...

"Let yourself be swayed by your feelings and you'll feel even more dejected."
HM

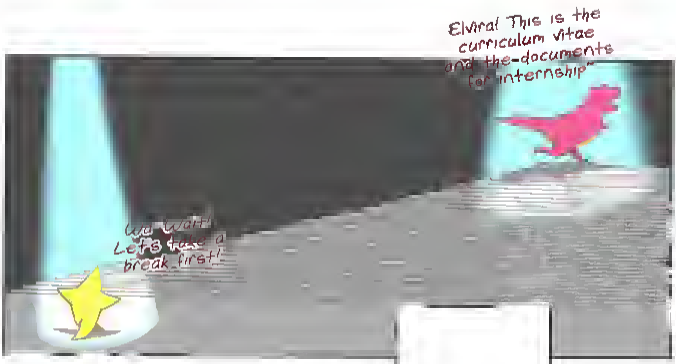
Yes... we are indeed from different worlds. Barney's too hard to reach.
Good morning, all~
Omg! Barney!

I tried to get closer to him.



But sometimes, it hurts me.

Ahh sorry, Elvira! You're so small, I couldn't see you!
Panicking
Argh...



It was hard to keep up with him, too.

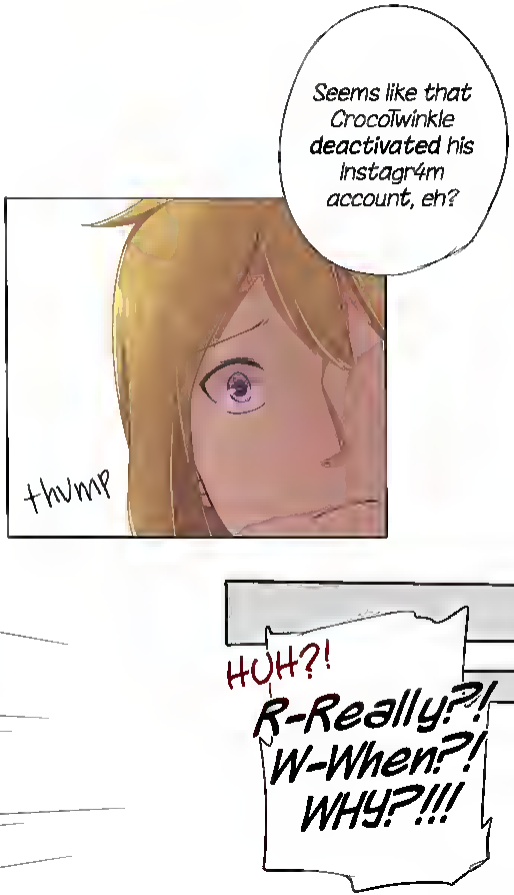
Because right from the start... we were complete opposites.

Getting closer to him makes other people give me a lecture, too.

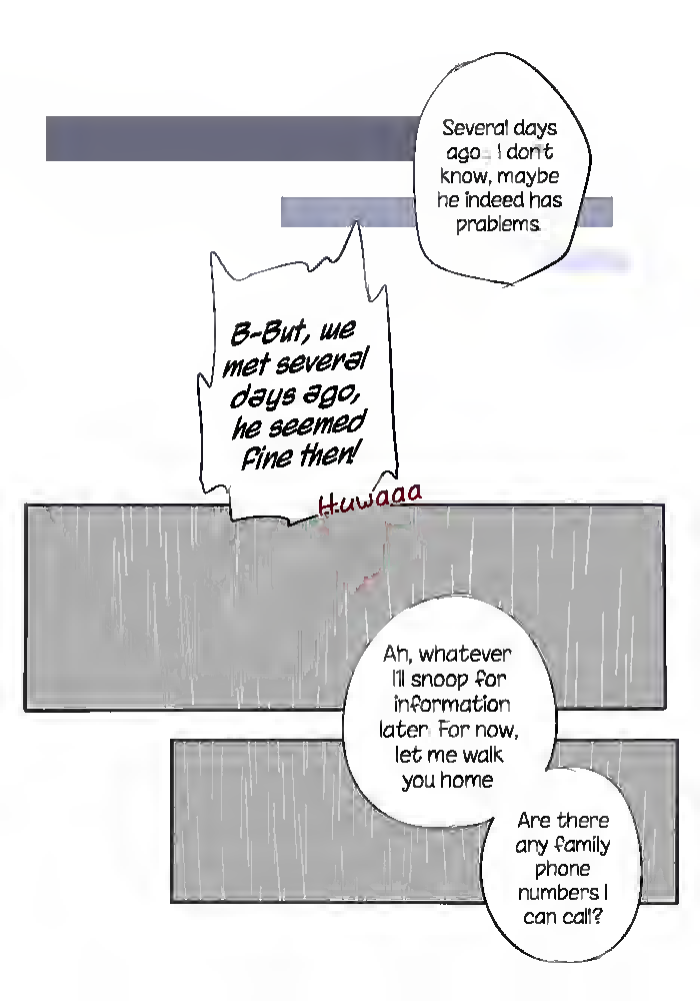
I could get hurt by Barney...

Ah, today they're having a discount for spray-paint in Tosca!

FRINZA!!! You weren't listening to my story, were you?!
HOI!
If you don't wanna get hurt, stop liking people like him, and just move on.
By the way.



Seems like that CrocoTwinkle deactivated his Instagr4m account, eh?
thump
HUH?!
R-Really?!
W-When?!
WHY?!!!



Several days ago... I don't know, maybe he indeed has problems.
B-But, we met several days ago, he seemed fine then!
Huwaaa
Ah, whatever I'll snoop for information later. For now, let me walk you home
Are there any family phone numbers I can call?

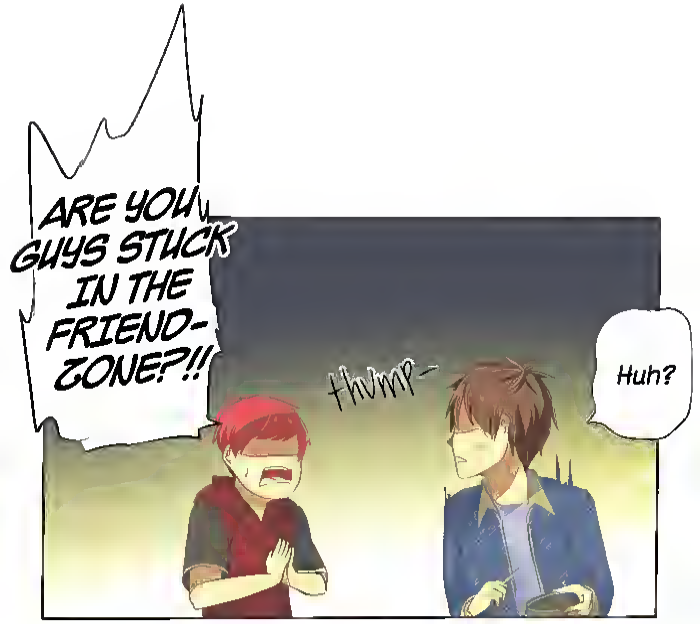
Ah...
that-

Barney, I'm so very sorry!!! I didn't know you planned o dote!!! If I knew, then I would've cancelled the consultation! I'm sorry that my session took too long!!!
Till this late at night
BOWL
Well, it's not your fault

I want to finish my thesis quickly, too...

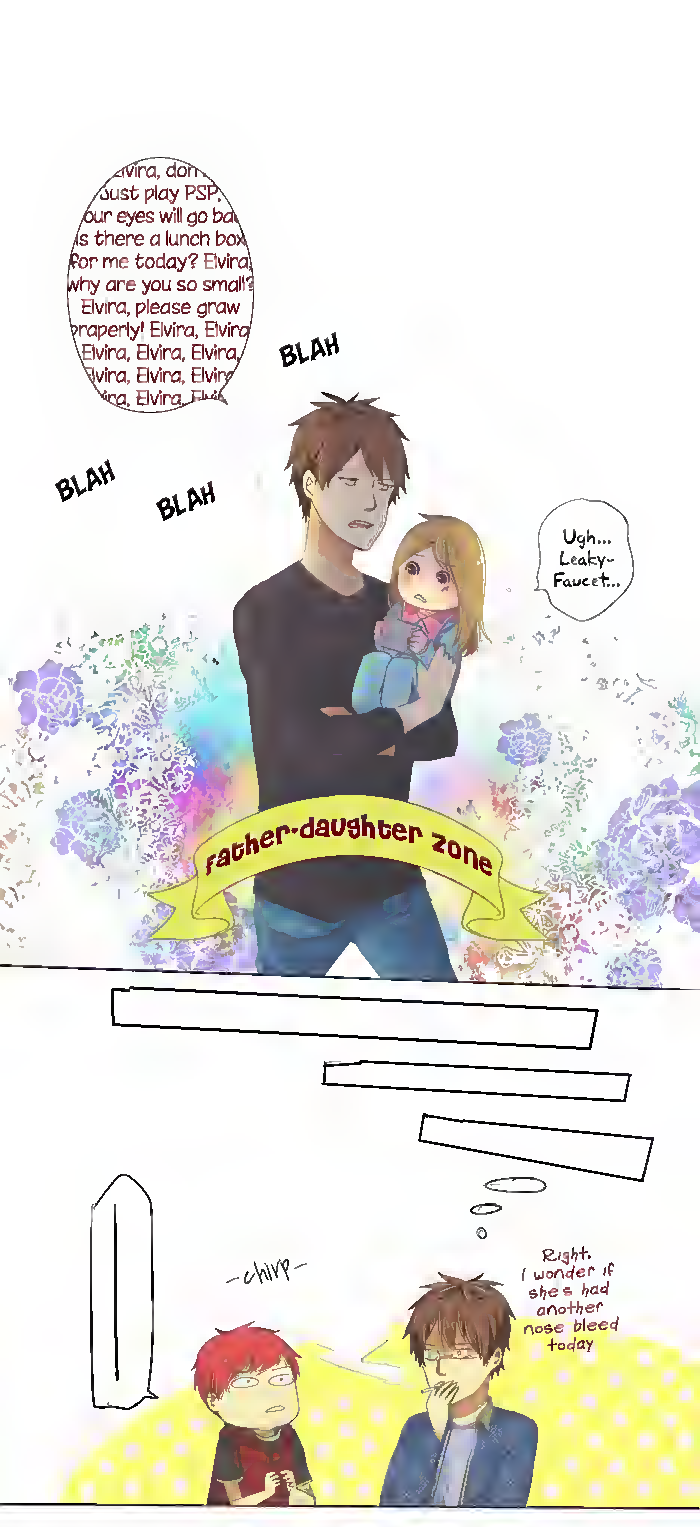
GRIP
Because father's already asking me about it.
Barney
How's your thesis?
How far are you with it?
Er that..
I have to make some revisions..
Even though I don't know what I want to do after I graduate...
Since my hand-lettering tools disappeared,
I no longer feel alive.

..Besides, this wasn't a date.
We don't have that kind of relationship.. we're just friends.
Eh



Friend-zone...
When you guys are friends but one of you *wants to be more than just friends!*

like...



Elvira, don
Just play PSP,
our eyes will go ba
Is there a lunch box
For me today? Elvira,
Why are you so small?
Elvira, please graw
Properly! Elvira, Elvira
Elvira, Elvira, Elvira,
Elvira, Elvira, Elvira
Elvira, Elvira
BLAH
BLAH
BLAH
Ugh... Leaky-Faucet...
father-daughter zone
-chirp-
Right. I wonder if she's had another nose bleed today

This reminds me of Kevin's line...
"Half-witted guys should just go to hell."
Eh? What does it mean?
Ah! Nothing~
I mean, please make sure you guys go watch that movie tomorrow~
